

MBC-Facts: Financial Services

Accounting

A company's figures are confidential, thus competent and independent advice is paramount. Our experts support you in all relevant areas. MBC-Special: We do not have unalterable standards.

Rather it is completely up to you which tasks you want to delegate to MBC: from Selective Support up to Full Service. You decide!

Before we get to your figures, let us talk about the services you really need and will make use of. Among others, our services include:

- Financial Accounting
- Accounts Payable/Receivable Accounting
- Payroll Accounting
- Cash Management
- Collection
- VAT-Settlements
- Monthly, quarterly and annual accounts

With our support you will be able to carry out your bookings on your own. Extensive tasks such as accounts and tax returns are prepared by us and included in the monthly premium. We will of course train you in the use of the system. An overview over your advantages:

- Flexible adjustments to the company's needs
- Calculable monthly expenses (The only initial investment needed is the training for the system.)
- No software installation needed
- Data back-up, updates and maintenance are taken care of automatically

AbaWeb: innovative, uncomplicated, online

The interaction of company and trustee should be uncomplicated, efficient and professional. Thus MBC uses the web-based software AbaWeb of the renowned manufacturer Abacus. Accounting can be accessed from any place with an internet connection.
