

MBC-Facts: Property service

Purchase, sale, administration and leasing

Locational advantages have to be made use of. To optimally harness your advantages, we offer extensive property services.

Whether you are looking for property, or want to purchase or lease out – you can always rely on your trust-partner MBC. When a competent property administrator is needed, we will also gladly assist.

Purchase and Sale

In cases of purchase or sale of property, it is our responsibility that both parties reach an agreement. Furthermore we support you in legal matters, drawing up a contract, dealing with authorities and the necessary registration with the land registry.

If you are interested in purchasing new property for your headquarters in Switzerland you can also make use of MBC's specialists.

Administration and leasing

To outsource the administration and leasing of your property is not only a step that requires a lot of trust, it also brings about a lot of administrative work. We take over this work from you and thoroughly care for your property.
