

MBC-Facts: Domicile

Relocate your headquarters

In many aspects, flexibility is an integral part of entrepreneurship and plays an increasingly important role when it comes to making groundbreaking decisions. To give our clients more options, we have developed our domicile services.

Move your headquarters to a place that makes sense strategically. MBC offers you to move your headquarters into Switzerland or within Switzerland to the tax-advantageous cantons Zug, Schwyz and Luzern. You can choose from the following locations:

Hünenberg (Canton Zug)
Einsiedeln (Canton Schwyz)
Zug (Municipality)
Luzern (Municipality)

We supply the on-site infrastructure, such as offices, workplaces and meeting rooms. No c/o-addresses are registered, you profit from an actual location. Upon your request, we also take care of office administration with secretary service, mail forwarding, dealing with authorities and so forth. Please contact us, we will gladly assist you!

Exclusively for domicile clients: Digital Office

With our 'Digital Office' service you can access your documents and company-relevant data audit-proof from anywhere in the world. Our offer includes the installation of the web-based software StarFinder as well as scanning and integration of all company-relevant data (emails with attachments, documents, files etc.) from the current fiscal year.
